Re: United States v. Rebolledo-Duque et. al.,
07 Cr. 880 (PAC)

Dear Judge Crotty and Counsel:

At the conference on June 11, 2008, the Court set a hearing date of Thursday, July 10, 2008, in order to determine whether the defendants are eligible for safety valve relief in this case. With apologies to both the Court and defense counsel, the Government has since discovered that the Drug Enforcement Administration ("DEA") agent who attended the safety valve proffers, Special Agent Dudley Harris, will be away on that date.

The Government therefore respectfully requests that the hearing be held on the following Tuesday, July 15th. Defense counsel for both defendants, Todd Merer and Roland Thau, have no objection to this request.

Respectfully submitted,

MICHAEL J. GARCIA
United States Attorney
